**Volunteering:** The Association relies on volunteers to support its various programs. The lack of volunteers, especially coaches, may result in a reduction in the number of teams which would limit the number of children that the Association can accommodate in its recreational program. Please indicate your willingness to help in any of the following areas. Training is available for all positions.

## Association's Philosophy

It is the Association's philosophy to promote fun, skill development, and good sportsmanship. All are of equal importance. However, good sportsmanship goes a long way. It teaches more than on-field behavior and extends into daily life in the form of good personal relationships. The Association also strives to provide each child with equal playing time during games with the opportunity to play at all positions.

By registering your child, you agree to embrace that same philosophy, to follow any rules and regulations set forth by the Association and to take part in making this experience rewarding for all.

## PLEASE CONSIDER COACHING!

Coaching and Volunteering! The Association relies on volunteers to support its various programs. The lack of volunteers, especially coaches, may result in a reduction in the number of teams which would limit the number of children that the Association can accommodate in its recreational program.

*The coaches for the U4 and U5 age groups will be provided weekly with an age appropriate template practice, emphasizing different skills. This way, the children will be learning consistent skills across teams, and the retention from practice to game will be high. This will also make it very easy to be a coach, as the hardest part, figuring out what to do with the children, will be taken care of for you. There is no soccer skill required to be a coach! All you need is the willingness to work with the children.*

## TEAM ASSIGNMENTS

The Association will assign all players to their teams. Players whose registrations are received after the due date will be placed on a waiting list and assigned to teams according to the needs of the Association as roster limits permit. Requests for a specific coach are strongly discouraged.

## WHAT ELSE YOU'LL NEED

***Players will be required to have a ball and water at every practice and game, and be wearing shin guards to play***

U4s, U5s, U6s and U8's will require a size 3 ball. U10's and U12's require a size 4 ball. U14's and up use a size 5 ball.

A EWGYSA Uniform is required to play. Registration fee does not include uniform. Uniforms will be made available to purchase at the concession stand during the first week of practice for \$20. Uniforms do not change from season to season so a uniform from a previous season may be used.
